

God Who Knows My Name [Lyrics]

[Declare-Canvas EP]

Verse 1

Your voice is calling when I'm still and when I rise
Your love surrounds me, Your love opens up my eyes
never abandoned, never rejected, You see my heart and what's inside
for I am Yours and You are mine

Chorus

We will lift our hands up to the One who saves us
to the God who knows our name
We will lift our voices, singing songs of praise
to You the God who knows our name

Verse 2

You walk beside me, when I'm broken and afraid
You find me longing, and Your love for me remains
unchanging, not failing, my anchor through the wind and rain
You are my all, my everything...

BRIDGE

We are alive because of Your story
You are alive we live for Your glory
You are the King of Kings
and we lift You up
