## Verse 1

Heaven's gift love came down Jesus came to save  
On the cross he poured out and gave his life away

Jesus came to set us free, the penalty is paid  
we're leaving everything behind, no more guilt and shame

When you reach out and lift us from the grave  
It's the wonder of love You gave us your son  
made complete, we've been redeemed and we are alive

The space between God and man defeating death and sin

You are king, You are king  
Laying down our life we bring everything, everything
