

Who You Are [Lyrics]

[Declare-Canvas EP]

Verse 1

I have climbed the highest mountain
Searching for the peace you bring
You have called me to surrender, and give You everything
I'm giving it all

Chorus

Will You go before me
With Your love surrounding
Jesus, I will follow
Show me who You are
Will You walk on water for Your sons and daughters
Take my heart and show me who You are

Verse 2

I have felt Your hand of mercy
Like the sunshine through the rain
You know everything about me and love me just the same
I'm giving it all

Vamp

God of miracles, Savior
God of miracles, save us

Bridge

You are the God of miracles
You are the God who saves
You are alive and changing hearts today
