Intro:

V1

Streams of mercy ever flowing, like a river to my soul.
Living water that sustains me, fill me up and make me whole.

I will lift my hands to praise you, captured by Your grace and made new
because of who you are, you're my amazing God.
And all creation sings together songs of love that lasts forever because of
who you are,
You're my amazing God.

When the storms of life surround me, I feel your presence all around.
You're the one who never fails me, you pick me up and put my feet back on the ground
You put my feet back on the ground

I'm desperate I know, rain down over my soul with you mercy.
Your love's taken over me, by grace I am free.
